

Dear Pennsylvania U.S. Coast Guard Auxiliary Member:

We are pleased to advise you that members of the U.S. Coast Guard Auxiliary with cars registered in Pennsylvania are eligible for a new Specialty License Plate. These beautiful plates feature a full color auxiliary logo and the words "U.S. Coast Guard Auxiliary" across the bottom.

Fifth Northern District, Division 4, Flotilla 9 (053-04-09) will be administering the program and we hope you will want to order one or more of these distinctive plates. This is a great way to help raise awareness of the Auxiliary and help with recruiting.

We will be assigning numbers in the order that completed applications and checks are received so please respond today. Please send the application and one check for

**\$75.00**

Please make your check payable to:

**USCG AUX FLOTILLA 49 TAG ACCOUNT**

Some Guidelines:

1. You cannot request a number for the plates, they will be issued upon receiving your applications.
2. You cannot request to have any letters or personalized message on your plates.
3. Your old license plate should be mailed to PennDOT after you receive your new specialty plate. The address is on the bottom of the application.
4. You must be a member of the U.S. Coast Guard Auxiliary to get one of these plates.
5. The \$75 is a one-time fee. You will own that plate and number for the rest of your life if you wish to. You must however remain an active member of the Auxiliary.
6. These plates are only available through the Auxiliary and cannot be purchased through any Tag/Title location.
7. "The applicant will receive a new plate, a new registration sticker that will match the date of their old sticker and a new registration card for the new plate/sticker. The fee for the specialty plate does not include registration time. We "transfer" the registration time from their old plate to their new plate. When their registration is about to expire, they will receive a renewal application for the new plate, just like they did for the old plate. They must have current/valid registration on their old plate when we go to process their application, so I recommend that any that are about to expire, renew now."- Direct Answer from PennDOT.

**PLEASE FILL OUT SECTIONS **A** and **E** ON THE APPLICATION. SEND THE APPLICATION AND CHECK TO:**

**Edward Yancavage , SPO-LIC  
Flotilla 49  
P.O. Box 433  
Gap, PA 17527**

Find the application form link on the <https://5nr.org/pa-auxiliary-license-plate/> page.
